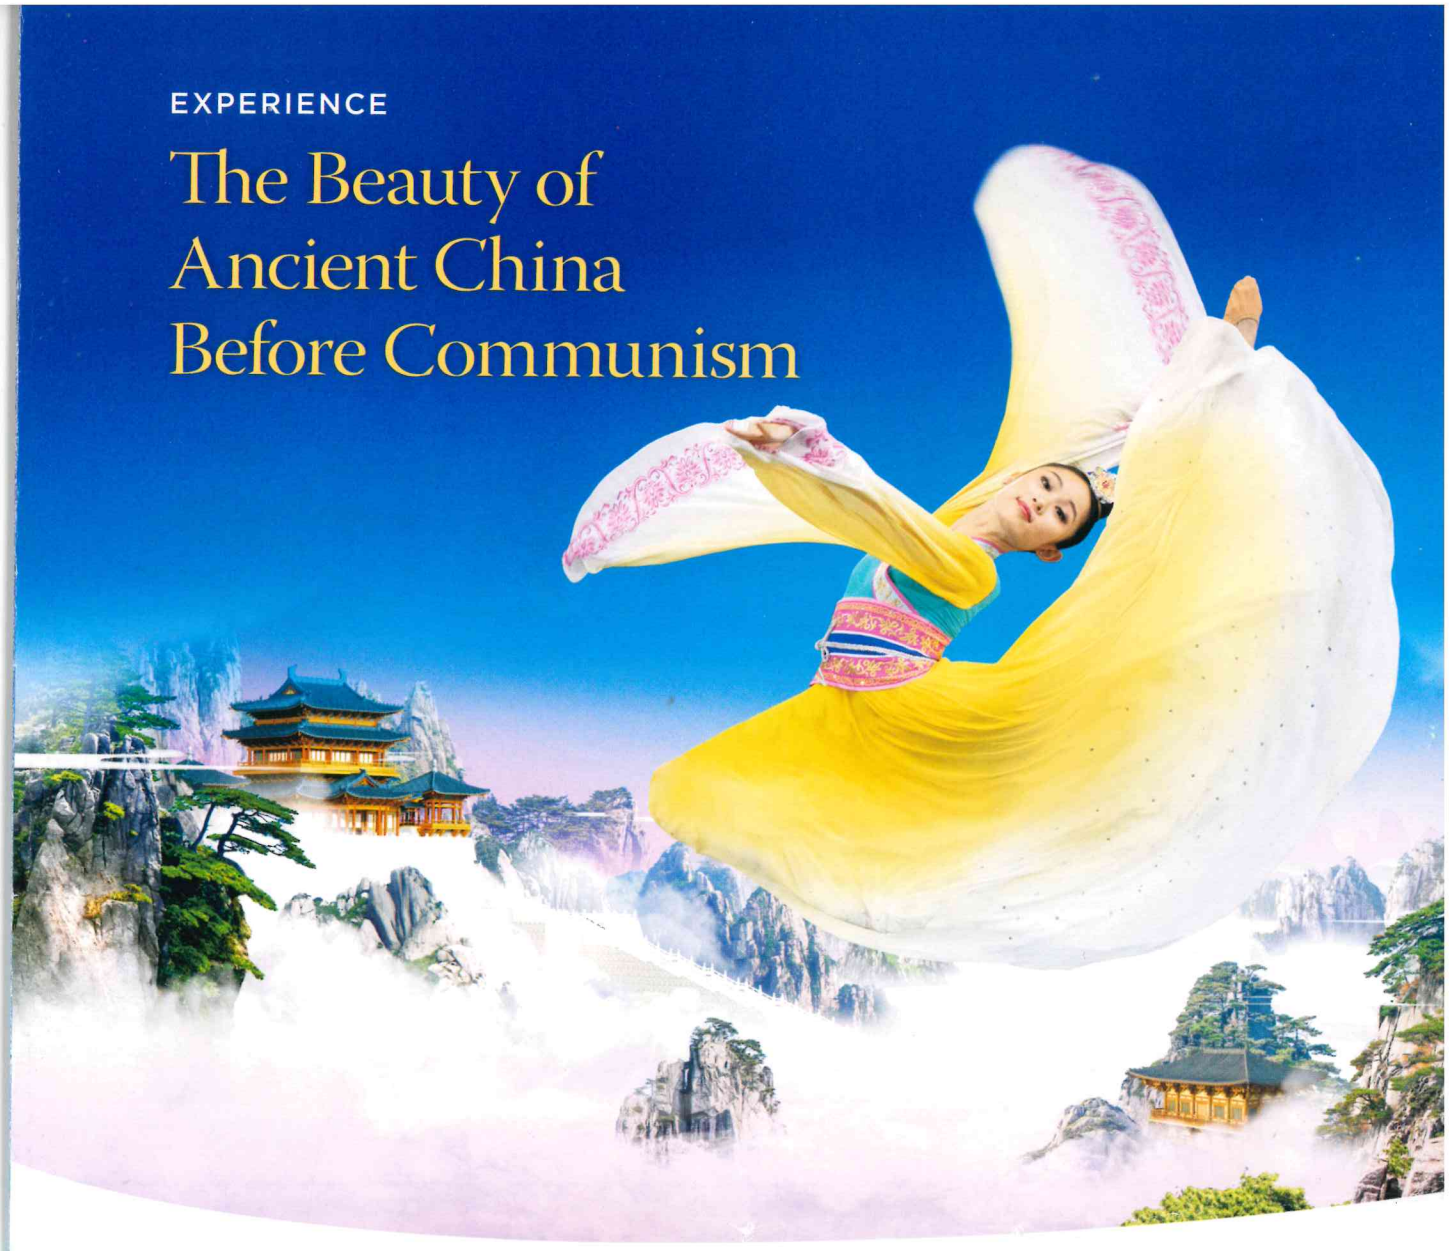
EXPERIENCE

The Beauty of Ancient China Before Communism



Shen Yun's unique artistic vision expands theatrical experience into a multi-dimensional, deeply moving journey through one of humanity's greatest treasures—the five millennia of traditional Chinese culture.

This epic production immerses you in stories reaching back to the most distant past. You'll explore realms even beyond our visible world. Featuring one of the world's oldest art forms—classical Chinese dance—along with innovative multimedia effects and all-original orchestral works, Shen Yun opens a portal to a glorious civilisation of unrivaled beauty, artistry, and inspiration.

We invite you to a world where philosophers and poets alike sought harmony with the Dao, or "Way," of the universe. Where maidens danced with ethereal grace and generals fought with explosive athleticism. Where timeless tales of valour and virtue were born. Where heaven and earth intersected. And even magic was possible.

AGAINST INCREDIBLE ODDS

Many of Shen Yun's artists escaped ongoing persecution in China. Now, guided by their faith, propelled by their work ethic, and refreshed by the freedom they found in the U.S., these world-class artists took a profound culture almost lost under the tyranny of communism, and brought it back to life, through vibrant dance, music, and exquisite storytelling they created a renaissance.

"A fascinating insight into what China's culture used to be and what I hope one day will be restored to China."

—Edward McMillan-Scott, former Vice-President of the European Parliament

"These beautiful, gifted people are expressing something that's both pure and good."

—Philadelphia Weekly

"Powerful choreography... Truly magical. A must-see!"

—IN New York magazine

MUSIC THAT RUNS FIVE MILLENNIA DEEP

Music is such a big part of every Shen Yun performance—from the live orchestra that accompanies each dance to the vocal and instrumental solos on stage. Shen Yun's orchestra is one of a kind, harmoniously blending the distinct beauty of ancient Chinese instruments with the grandeur of a Western orchestra. The result is a gorgeous and vivid sound with great emotional range—perfect for bringing to life the soul of an ancient civilization.
